

I have heard that the FCC is 'thinking ' about over-turning NJ's 'DO NOT CALL' list~~ this is outrageous!!!!!! This is what THE PEOPLE want and should stay as is! It is too bad that telemarketers are upset about this~ is the FCC getting pressure from telemarketers? Remember who you work for~~ the people. Currently, New Jersey's 'Do Not Call' law is among the strictest in the country. As a result, many residents report almost a 100% drop in unsolicited sales calls. Now, the law is under attack from telemarketers who want the ability to call people despite the fact that they have signed up for the 'Do Not Call' list.
